SPECIAL ANNOUNCEMENTS

For the second consecutive year, Perr&Knight is extremely proud to have achieved Climate Neutral certification, reflecting our continued dedication and commitment to reducing our carbon footprint and promoting environmental responsibility. To successfully renew our certification, Perr&Knight comprehensively measured and offset our carbon footprint for the year, as well as implemented a range of issues to reduce its emissions, and worked closely with The Change Climate Project to share a detailed action plan and report back on progress. We are proud to be a multi-year member of the Climate Neutral community of companies that share its commitment to confronting the pressing challenge of climate change. To read the complete press release and learn about our certification, please click the link below.
