WORKERS' COMPENSATION PRICING – ARE YOU DOING ENOUGH?

In today's fast-paced, digital world, there are more options than ever for employers to purchase their Workers' Compensation ("WC") insurance. With so many options available for employers to shop for WC coverage, it is more important than ever for insurance programs to have competitive pricing structures and for insurance providers to proactively monitor their WC programs.

MEDICAL PROFESSIONAL LIABILITY EXPOSURE BASES – IS IT TIME FOR A CHANGE?

During our long history providing actuarial consulting services, we have seen little change in exposure bases for rating medical professional liability insurance. The healthcare landscape has evolved significantly in the last decade. When is the right time for a change?

2023 FLORIDA TORT REFORMS – WHAT YOU NEED TO KNOW

In an effort to address affordability in the personal auto and homeowners markets, Florida has recently enacted significant reforms that have dramatically changed the tort law applicable to personal insurance policies in the state. Our actuarial consulting experts break down what this means for insurance companies and in the years ahead.

SPECIAL ANNOUNCEMENTS

We are thrilled to share some groundbreaking news with you! We have expanded our offering of services (e.g., Actuarial, Forms, and State Filings) to now include life insurance products (Term, Whole and Accidental Death). As a company committed to providing innovative and tailored solutions, this strategic move allows us to further meet your needs, while delivering the same elevated level of excellence and professionalism we are known for.

For more information or to inquire about our new life insurance services, please contact Scott Knight (sknight@perrknight.com) or visit our website!

Product Expansion

Global market instability and fierce competition are prompting insurers to consider product expansion as the primary driver of profitability. In order to increase revenue and improve market positioning, insurers must expand existing product portfolios to encompass new lines of business, geographies and distribution channels.
